

**UPDATE from Shirley Baka**

Dear Church,

I started out with stage 3 breast cancer which spread to lymph nodes & sternum. After my surgery the biopsies showed no cancer. I still have to have more chemo since they stopped treatments half-way through to do surgery. My next treatment will be Feb. 10<sup>th</sup>. After chemo they will confer with another doctor to determine whether I need radiation. (maybe not.)

This may be too much detail, but if we are family and you are praying for me, you should know our prayers are being answered. **Thank you for** the “out in the cold” visits, the cards, calls, and for your prayers. **I am alive!! I am so happy.**

**I love you. Shirley Baka**

**THANK YOU NOTE:**

To our Christian Family,  
Thank you so much for the beautiful plant, your cards & most of all your prayers during our time of loss. We are so blessed to be a part of a wonderful Christian Family. We love you all . . . . . God Bless.
