### "Note from Roger"

Just before they put me to sleep for the major surgery, I had a smile on my face I did not know if I would wake or if the very aggressive cancer had spread.

However, the scripture was in my mind, "Yeah though I walk through the valley of the shadow of death, I will fear no evil for thou art with me." We must all, as Christians, realize that if we trust in the Lord that He will direct our steps.

We should put all fears & major issues in His hands and ask that His will be done, knowing that He always will answer a fervent prayer. I give all thanks to my God for the success of the operation. Also, I give thanks to my good brothers and sisters for your prayers for me. I have not even tried to count the cards that were sent by you all. Each one brought a smile to me.

The little children who signed many of the cards are a great asset to our congregation. May you all be blessed & may God direct your steps this year.

- **Roger W. Needham**
