**Update / Relief Efforts in the Samoan Islands, plus
Special Announcement / Pacific Broadcast**

Greetings to you from the English family,

Update / Relief Efforts in the Samoan Islands

The tsunami relief work of the Leone church of Christ here in the Samoan Islands continues to make wonderful progress, which we account to God blessing the combined efforts of you and many other Christians. As this note is being written, we are in the process of preparing to serve 100 families at a village in the Western District of Tutuila Island. Purchasing the items needed is becoming increasingly more difficult, but still yet, God is blessing us to find the things most needed, plus **we have the precious Gospel in unlimited quantities!**

Special Announcement / Pacific Broadcast

We are also excited to share with you some more wonderful news that we just received a few days ago.....we have confirmed that the owners of the proposed USA land site for Pacific Broadcast's International Facility, have accepted our offer of purchase! This now clears the way for us to enter into a new phase with this important work of "**reaching remote homes with the Gospel**" throughout the Pacific Rim area.

We want to thank each of you for your continued prayers and support of the Lord's work!

Randy & Sharon English

Tutuila Island,

American Samoa
